

The World of Wonders (WOW) Science Museum is pleased to present the 10th annual **Science on the Green** Golf Tournament taking place Monday, April 24, 2017, at Woodbridge Golf and Country Club. All proceeds from this annual event will benefit the WOW Science Museum and our local communities.

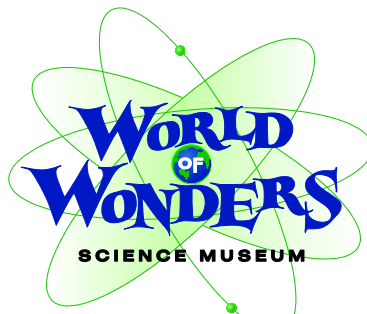

The **Science on the Green** Event Committee is currently looking for donations of raffle prizes. Would you please consider participating as a donor for this worthwhile event? All donations are tax-deductible and donors will be listed in the program as well as in the raffle item description.

Over 58,000 guests visited the museum in 2016! With your help, the WOW will continue to fulfill its mission to increase broad interest in science, complement formal science education in our schools, and enrich the quality of life in our communities. If you would like to be a major sponsor or play golf on April 24th, forms are available on-line at <http://wowsciencemuseum.org/upcoming-events/#SotG> and at the museum. For more information, please contact Barbara den Hartog, Tournament Chair, at (209) 327-2201.

Sincerely,

The **Science on the Green** Event Committee
