

The World of Wonders (WOW) Science Museum is pleased to present the 10th annual **Science on the Green** Golf Tournament taking place Monday, April 24, 2017, at Woodbridge Golf and Country Club. All proceeds from this annual event will benefit the WOW Science Museum and our local communities.

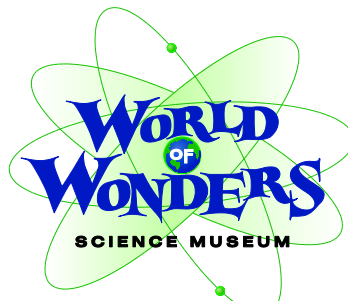

The WOW Science Museum is asking for your support. Please consider participating as a major sponsor for this worthwhile event. All donations are tax-deductible and sponsors will be recognized in the program, in media coverage and on the WOW website.

Over 58,000 guests visited the museum in 2016! With your help, the WOW will continue to fulfill its mission to increase broad interest in science, complement formal science education in our schools, and enrich the quality of life in our communities. Sponsorship forms are available at the museum and on-line at <http://wowsciencemuseum.org/upcoming-events/#SotG> For more information, please contact Barbara den Hartog, Tournament Chair, at (209) 327-2201.

Thank you for your support,

The **Science on the Green** Event Committee
